# What is Passage?

The Passage Ministry is the fulfillment of a vision from God to Pastor Davis to teach youth, called candidates in a classroom environment, on tours and field trips, and by guest speakers and presenters. Weekly meetings are opened with candidate lead prayer, scripture reading, pledges to the American Flag, the Christian Flag and the Bible, and a recitation of the Passage motto.

Candidates are required to conduct themselves with the utmost respect and answer all who speak to them with yes Ma'am or Sir.

Their main resource of reading is the Holy Bible and a secondary resource:

- 1<sup>st</sup> Year (Phase I), *Growin' & Flowin' How 2 Grow Up Straight 'N A Crooked World*, by Kwame Ronnie Vanderhorst
- 2<sup>nd</sup> Year (Phase II), *A Survey of African American Church History*, by Dr. O. Wendell Davis
- 3<sup>rd</sup> Year (Phase III), *Sex, Love, and Romance*, by Hugh F. Pyle
- 4<sup>th</sup> Year (Phase IV), devotionals and prayer guides by Dr. O. Wendell Davis
- 5<sup>th</sup> Year (Phase V), *Leaving Home for the First Time*, by Marquis Thompson
